

## **2023 YOKOHAMA IMPROVED PRODUCTION NATIONALS**

### **EXPRESSION OF INTEREST FORM**

Thank you for expressing your interest in the 2023 Yokohama Improved Production Nationals, to be held at Sydney Motorsport Park, June 16-18.

With two grids of 47 cars (94 in total), competitor spots will be very limited.

To assist with IPRA NSW planning of the event, we'd like to receive as many EOIs as possible.

This will assist us with marquee hire, dinner reservations, merchandise and, above all, allow us to choose the most suitable 96 Improved Production competitors in Australia.

Completing your EOI in full will give you first opportunity to run at this event.

PLEASE NOTE - an accepted EOI does NOT guarantee an event entry, which is at the discretion of the IPRA NSW committee.\*

However, it will ensure preference over those who do not submit an EOI.

### **2023 entries**

You can expect the below with your entry:

- Entry into the 2023 Yokohama Improved Production Nationals
- Friday practice
- Saturday qualifying and heat races, including night events.
- Sunday heats and Finals.
- 1 x Competitor tee-shirt
- 1 x voucher to the Friday night welcome dinner
- 1 x marquee spot (please note, no garages or carports are available)
- Live stream and post-event video coverage
- Photography pack available to entrants after each day

The final entry fee is expected to be aprox \$1,250 (subject to change).

The \$500 EOI fee will be deducted from the final entry amount.

Expressions of interest close 11pm March 14, 2023.

Entry will be via the Motorsport Australia portal, with entry payments made to IPRA NSW.
